Greg—Please see the information below. Check out the link for all the law enforcement courses. In addition, I found a soft skills course in the project management section of the Target Solutions website, which is a free class. Once you get into the website through the link below, you can click on classes, as most have course descriptions. Also, there is a whole section of leadership classes too.

I should know something soon on an actual speaker too. Thanks

Subject: Target Solutions-Law Enforcement

Target Solutions has a premium content program specifically for Law Enforcement. The cost is $56 per user per year. Below is a link to the Law Enforcement courses with descriptions.

https://csac-eia-training.targetsolutions.com/law-enforcement-training/

thanks
